Dear Sir/Ms:

The following question has been received:

Question: In Special Provision Section 104 it says, "The Department will be running a three (3) day detour down old Rte 1, which will close Rte 1 between June 20, 2011 to June 30, 2011 for installation of the crosspipe at 74+85." Who will be responsible for installation, notifications, maintenance, etc. of this detour?

Response: The contractor will be responsible for setting up the detour, maintaining traffic and signs as well as notifying all public safety agencies as per Standard specification 652.3.3 section f.
